DEDICATION

We, the Senior Class of 1963, wish to dedicate the Fortieth BREIDLIN to a person whose name we have long associated with the BREIDLIN.

For eleven years, she has been the very capable adviser of the school publications. Although she has resigned as our adviser, she has been most gracious in guiding and counseling us this past year.

With sincere appreciation of her fine contributions as adviser and teacher in Coughlin High School, we dedicate this 1963 BREIDLIN to Mrs. Margaret R. Evans.

FOREWORD

Throughout the centuries, the one vital factor that has made it possible for mankind to achieve the present level of civilization has been the God-given gift of curiosity. Curiosity is the foundation upon which education and advancement are based. This thirst for knowledge has become manifest in the many ingenious discoveries and inventions that characterize our modern world.

If it were not for this constant desire to increase knowledge, civilization would stagnate and die. But man has kept the flame of curiosity burning by never-ending research and discovery. From the invention of the wheel to intricate present day technology, the quest for knowledge has never ceased.

And now, in the twentieth century, man has embarked on the greatest adventure of all time. He has raised his eyes to the stars, and has accepted their age-old challenge. He has finally set foot on the threshold of space. This first footstep is like the first cry of a baby, and it will some day develop into a resounding voice that will echo through the entire universe.

We, the class of 1963, are a part of this first step. Upon our shoulders rests the task of upholding the standards that have made possible man's first ventures into space. It is up to us to keep the burning flame of curiosity alive.

It is our prayer that God may give man the ability, courage, and perseverance to succeed in the momentous task.

PRINCIPAL'S MESSAGE

A writer once wrote these lines, "Youth is not a time of life—it is a state of mind. It is not a matter of red cheeks, red lips, and supple knees. It is a temper of the will, a quality of the imagination, a vigor of the emotions; it is a freshness of the deep springs of life. Youth means a predominance of courage over timidity, of the appetite for adventure over a life of ease. This often exists in a man of 50 or more, than in a boy of 20. Nobody grows old by merely living a number of years; people grow old by deserting their ideals."

These lines are particularly significant today because in the rapidly changing world of today, in the struggles of human relationships, and in the chaos of national and international problems, we need more than ever to maintain worthwhile concepts and ideals. The dignity and respect of the individual is just as important today as it was in the days of the formations of this country.

Time runs on, and the graduates and underclassmen of today are the parents of the children of tomorrow. You are the ones who will inculcate in your children the standards of conduct and the ideals that should make this country and this world a better place to live in than ever before.

Your teachers have tried to do their part, and you owe much to them for their patience and their persistence in giving you the best that was in them. To the Graduate—God Speed. To the underclassmen—Do the very best that you can; then do a little better.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization made up of seniors who rank in the upper fifteen percent of their graduating class. In addition, they must also possess the outstanding qualities of scholarship, leadership, good character, and service to the school.

The class of '63 is proud to have forty members in the Society, twenty-six girls and fourteen boys.

These forty scholars were honored before the faculty and student body of Coughlin during a chapel program. At this time, they were presented with the symbol of the National Honor Society — a pin inscribed with a flaming torch, representing the light of truth and pursuit of knowledge.

SCHOLASTIC LETTER WINNERS

THE SENIOR CLASS — 1963

This June, two hundred and forty-one seniors will leave Coughlin High School, but we shall not go unattended. With us will go all the memories we share of "the green years" spent at our Alma Mater.

This High School has been, for us, our own small ivy-clad community. To the democratic life of this school each senior has contributed a share toward the fulfillment of this community's most serious purpose—the education of each student, symbolized by the presentation of diplomas on Commencement to the members of the graduating class. Some members of this class have excelled academically, some have helped by stepping forward to lead clubs and organizations in worth-while endeavors, some have become fine athletes who have evidenced physical fitness and exemplified ideals of good sportsmanship and fair play. Others have formed literary and dramatic circles. Without all these there would have been no scholastic honor societies, no school publications, no senior play, no chapel programs, no sports championships! Every senior has contributed, in his own way, toward the successes and accomplishments of this school community.

The Class of '63 with its scholars, athletes, artists, writers—all good citizens—will go from these halls toward new frontiers. Having developed individual skills and achieved high school successes, and having learned to work together, the members of the Class of '63 will continue to make greater contributions to a larger life—remembering, gratefully, these high school years.

SENIOR PLAY

"Junior Miss"

In the audience, proud parents and friends of the cast, as well as many students sat waiting with excitement while backstage the cast and crew made last minute preparations. Finally at 8:15 P.M. the lights dimmed and the curtain rose.

The heroine of the play, Judy, seemed to get into constant trouble. She was forever poking her nose into other people's business trying to be helpful. Through her antics she arranged a marriage for her Uncle Willis, got her father fired, while she and her friend Fuffy set the world straight. Judy wasn't her father's only problem, Lois' boyfriends were always cluttering up the house and had to be thrown out. Fortunately everything turned out fine, and Judy acted as though she had planned it that way.

BREIDLIN COUPLE

Beverly Boni **Harry Shovlin**

At the beginning of every school year, ten senior people are elected by the entire student body to appear on the covers of the school magazine, the JOURNAL. Every senior girl and boy wishes to be one of the five chosen.

Friendly, popular, and active are a few adjectives which describe the people who are elected. Chosen this year were Marilyn Tokach and James Depolo, Jo Anne Stefanowski and Wayne Phillips, Beverly Boni and Joseph Stencik, Beverly Ritts and Albert Yatko, and Jean Rodak and Harry Shovlin.

Near the end of the year, a boy and girl from the preceding couples are chosen as the BREIDLIN couple by the senior class. Chosen this year were Beverly Boni and Harry Shovlin.

BREIDLIN SKIT

On March 19, under the excellent leadership of Miss Williams, the Masquers presented the annual Breidlin Skit. The play, "Sir Coughlin and the Dragon," was adapted by Albert Eddy from an old English play, "Saint George and the Dragon."

In dire distress, Lady Goofus described how the dragon had eaten her BREIDLIN. Fortunately, Sir Coughlin and his two friends promised to save the day.

A terrible battle ensued, and both attacker and attacked were slain. However, the trusty doctor soon appeared on the scene. The entire cast rose from the jaws of death and sang a stirring chorus of "Roll Out the Breidlin".

The play was enjoyed immensely, and was interrupted again and again by uproarious applause.

On March 19, 20, and 21, the Seventh Annual Wilkes-Barre City Schools Science Fair was held in the Coughlin High School gymnasium. Four hundred and five exhibits were on display.

Walter also was awarded the grand championship at the King's College and the University of Scranton Fairs, which entitled him to enter his exhibit in the National Science Fair at Albuquerque, New Mexico.

Junior high school reserve champion was Carl Voelker with his general science entry, "Purification of Water."

FIRST ROW: Ninotti, Bone, Ashman, Phillips, Koval, Blaum, Huhn, Paciotti, Zbysewski.

SECOND ROW: Kulikowich, Kennedy, Allen, Supinski, Borick, Shovlin, Wychock, Yatko, Holthaus.

THIRD ROW: Head Coach, Mr. Moran, Baltuskonis, Pryor, Everett, McCarthy, Gildea, Babuschak, Kobuta, Davenport, Asst. Coach, Mr. Solomon.

FOURTH ROW: Krute, Lazarski, Gryczko, Kane, Zych, Mack, Black, Burke, Sabatini, Freshman Coach, Mr. Kwak, Rosiak.

The Coughlin Crusaders displayed a relentless fighting spirit throughout the '62 season. Showing continued improvement as the season progressed, Coughlin rounded out their schedule with convincing victories over Swoyerville and Larksville and a near win at Kingston.

Though the team didn't cross their opponent's goal very often, their varied offensive maneuvers provided many thrilling moments during the past season. To illustrate Coach Moran's ability in teaching the team versatility, the snap of the ball was called from the straight "T", the spread, and wing formations.

Joe Stencik led the team in scoring with 24 points. Lou Blaum was second with 18.

Stencik or Gryczko could pick up needed extra yardage by running through holes opened by Yatko, Kulikowich, Everett, and Huhn in the center of the line. The off-tackle plays, led by Wychock, Kennedy, Sweeney, and Burke were usually carried out by Phillips, Shovlin, Paciotti, and Borick. Black, McCarthy, Babuscak, and Supinski paved the way for Blaum's rollouts and Lazarski's sweeps around end. Credit should also be given to quarterback Koval, who did a fine job of filling in when needed, and to Bill Ashman and Jack Babuscak, who saw limited action because of leg injuries.

The defensive line led by Al Yatko, was always ready to stop any opponent's scoring threat. Any loose ball was usually picked up by Kennedy or Sweeney, and opposing team quarterbacks had to be cautious whenever they threw the pigskin, for any stray pass could be pulled in by Shovlin, Blaum, or Paciotti.

The credit for putting together the football team goes to its three fine coaches, Mr. Moran, Mr. Solomon, and Mr. Kwak.

Congratulations to Al Yatko on his receiving "All-Scholastic" honors and on his receiving Honorable Mention to "Pennsylvania's Big 33" and the "All-State Team."

The team will have a host of returnees who saw plenty of action during the past season and who could very well lead Coughlin to Conference Honors next year. These include, Lazarski, Gryczko, Black, Burke, Pryor, Everett, McCarthy, M. Babuscak, Blaum, Huhn, Paciotti, Sweeney, and Kane.

We all hope that the final season winning drive of this year's team extends over to next year's team.

A few of the outstanding units of our school are the Cheerleaders, Strutters, and Majorettes. These groups add colorful highlights to athletic events and other activities in which our school is represented.

The Cheerleaders, consisting of five Senior and four Junior girls, is a group intended to arouse school spirit and let the team know that they have the full support of the student body.

During football season, the Strutters, with their entertaining routines, add color to the many activities in which they participate. The girls, in their brilliant red and white uniforms, can be seen marching in time to the music of the band.

The Majorettes, with their twirling and dancing routines, entertain the crowds and provide a relief from the tension of the football games. These talented girls also participate in several of the cheer practices.

These groups deserve to be commended for the fine work they have been doing throughout the year.

BASKETBALL TEAM

FIRST ROW: Waskiewicz, Trethaway, Koval, Ashman, Kelly, Mullen.

SECOND ROW: McCarthy, Matzel, Stencik, Anushko, Norieka, Sprau, Blaum.

The Coughlin basketball team, coached by Mr. Jack Jones, showed the Crusader fans good competitive basketball, even though their efforts aren't evidenced by their win-loss record.

Led by Joe Stencik and Pat Kelly, the squad never let up on the opposing team. Anushko, Sprau, Blaum, Ashman, and Trethaway were always ready to rally the team and bring it closer to victory. It was often only a quick scoring spurt by their opponent which brought them defeat.

Returning to the squad next season are: Blaum, Trethaway, Norieka, Waskiewicz, and MacCarthy.

WRESTLING

The Wrestling Squad overwhelmed their first two opponents, but a lack of experienced wrestlers and injuries to key performers at inopportune moments hurt the team's chances during the remainder of the season.

Van Scoy, 127 lb., after showing great promise with two early season pins, suffered a broken collarbone. Babuscak, 165 lb., had knee trouble, but he came on strong in the latter half of the season.

Alex Kulikowich turned in the quickest pin, 18 seconds, of the season, and Wychock, and Gulius compiled the best seasonal records for the Crusader grapplers. Kenzakowski, Gammaitoni, and Everett were also consistent victors.

Congratulations to Bartoletti, who won the 85 lb. District Title, and to Wychock, who won the 180 lb. City Championship and finished as runner-up in the District meet.

Returning to the Crusader team, which shows promise of being an excellent squad, are Bartoletti, Gulius, Gammaitoni, Skrepenak, Reynolds, Everett, Smith, and Bloomberg.

Best of luck next season to Coach Keith Williams and to his assistant Hayden White.

BASEBALL TEAM

The Coughlin Crusaders, coached by Mr. Tony Ruddy, have played some very exciting baseball. They have accumulated a seasonal record of four wins and three losses, with one game remaining. The highlight of the season is the "triple-play" Coughlin accomplished against Wyoming Seminary. The play went from Spernoga, to Nemetz, to Waskiewicz, to Montague.

The team sluggers are Spernoga, Craig, and Sprau. Their hitting, along with Trethaway's and W. Smith's, give the Crusader pitchers the backing they need.

The mainstay of the Coughlin moundstaff is Chet Rhodes, who is undefeated, and has gained all of Coughlin's conference victories. He had a high of eleven strikeouts against GAR.

Best of luck next season.

The Crusader cindermen gave their track fans something to cheer about as they put on superb performances at each outing. Under the able coaching of Mr. Joseph Moran, the team enjoyed a seasonal log of four wins and two losses. The team was strong in every event as the scores they ran up indicate.

The relay teams were superior as the mile team was victorious in five meets while the half-mile team won four races.

Congratulations to J. Lazarski, Hurst, Gryczko, and Black who set records in the 440 yard and 880 yard Junior Jordan Relays at Scranton.

The Crusaders show strong indications of having another successful season as many of the outstanding track men are returning.

Best of luck next season.

ALMA MATER

Words by Bessie Stella Jones '07

TUNE: "ANNIE LISLE"

Hail to Coughlin, Alma Mater,
Stepping stone to fame,
For the student and the athlete
With his zeal aflame.

Chorus:

Winning in the field and forum,
Keep the goal in view;
Shout in chorus for our banner,
Wave the Red and Blue.

Pleasant memories cluster 'round it,
Of its prestige proud;
While the promise of the future
Beams through every cloud.

When Life's noontide joy has vanished
Lost in reverie,
Like the glory of the sunset,
School-day dreams we see.
